

PhD Handbook - Library Research Support Team

The Library's Research Support Team (RST) provides advice and guidance on research data management, open access publishing and repositories, copyright and bibliometrics. For further information on the team, visit <http://www.york.ac.uk/library-research>.

The team delivers workshops on these themes within the Research Excellence Training programme. To view information on workshops and to make a booking, visit <https://www.york.ac.uk/staff/research/training-forums/research-excellence-training-team/research-students/>.

The Library's Research Support Team is here to help you. If you have any questions, want to know more, or if you want to talk to us, email lib-research-support@york.ac.uk.
