

PhD Handbook - Being an Effective Researcher Tutorial

The 'Being an Effective Researcher Tutorial' is an online induction available through the VLE to all postgraduate research students and supervisors. The tutorial is organised in six easy to navigate sections so that, following completion of the tutorial, you are able to come back to the information as you need it throughout your programme. You are expected to complete this tutorial as part of your induction at the University and are encouraged to discuss it with your supervisor and TAP. You can access BERT directly from the VLE or by clicking the link: <https://www.york.ac.uk/research/graduate-school/new-students/>.
