

Open Research at York: Two Years On (13 July 2022)

Open Research

OPEN RESEARCH AT YORK TWO YEARS ON

Wednesday 13 July, 2022 (11:00-13:30)

The Treehouse, Berrick Saul Building

A lunchtime discussion for the University of York open research community of practice

What have we achieved, where are we going, and what challenges do we still need to address?

york.ac.uk/open-research

[A recording of this event is available on Replay \(UoY login required\)](#)

Description

This was an opportunity to reflect upon what we have achieved in the past two years as an open research community of practice, share ideas and plans on where we are going next, and discuss what challenges we still need to address across all disciplines at the University. It was also an opportunity to highlight a selection of projects from our recent York Open Research Awards scheme.

Programme and links to slides
