

## Speech and Language Therapy (UG Careers)

Talks on careers in Speech and Language Therapy are available on the VLE Psychology Employability Tutorial under Psychology Resources and Careers Days talks – these give a personal insight into the career.

If you are interested in speech and language therapy, the [Royal College of Speech & Language Therapists](#) have useful information on their website. There are various fact sheets, videos and career guides to becoming a speech and language therapist. The [Health Careers](#) part of the NHS also has information about this discipline, including working life, entry requirements, pay and conditions etc. Finally, you can also use the [Prospects](#) website for more information on this career.
