

SOPManager

Allows the Trials Unit to easily maintain, access, review and read SOPs.

Available at <https://ytu.york.ac.uk/SOPManager/>

Logging In

University of York users must be added to SOPManager by an administrator before they can log in using the big blue YTU Staff Login button in the center of the screen. Details on how to add a user can be found at [User Management \[Admin Only\]](#).

Guests/Visitors can view a selection of Forms and Guides on a view-only basis using the Visitor log in, shown in the lower half of the login page. Credentials to log in as a visitor can be obtained from an administrator on a case-by-case basis.
